Call us today on 03 9822 8588 to find out more about how we can take your business to the next **level**

So what do we mean and how does it work?

We offer our new and current clients a complimentary consultation that we call our **Legal Health Check**.

The best way to conduct our **Legal Health Check** is to meet with you at your premises to discuss all aspects of your business operations from the ground up.

We ask questions to uncover opportunities you can build on, and to identify legal areas of risk and improvement so we can support you and the success of your business now and into the future.

(Steps 1-3 are offered at no cost to you)

Our comprehensive assessment has the potential to review:

Employment Contracts & Contractor Agreements | Terms of Trade, Guarantees & Warranties | Product Liability | Loan Agreements & Securities | Agreements with Suppliers | Leasing of Premises | Intellectual Property | Distribution & Agency Agreements | Equipment Leasing | Terms & Conditions | Joint Venture Agreements | Policies & Procedures | Owner Agreements | Disputes & Debt Collection | Real Estate Acquisitions & Disposals
